

March 9, 2026

Dear Sir Vallespin,

Good day. I would like to apologize for my absence from class from Wednesday to Friday, March 4–6, 2026. I was not able to attend school because I had a fever and needed to rest at home.

I am now feeling better and will make sure to catch up on the lessons and activities that I missed. Thank you for your understanding.

Sincerely,

Jezz Calyx Encinas
